

## MPYFC Raise funds for Kingston hospital

This great charity event took place on the 31 August at Kempton Racecourse. Fifteen hardy souls from MPYFC took part in the 5K event. The team took part on behalf of MYPFC's nominated charity, Kingston Hospital.

After an energetic warm up we were released into the night air to circumnavigate the race course, not once, but twice. Accompanied by a thumping Ibiza sound track there were foam pits, water canons and multicoloured led light tunnels around

the course and some gloriously costumed individuals.

The whole event was great fun and well worth doing. It is hoped that should there be similar events in the future we get a few more members to participate.

Our humble target of £350 has been achieved and surpassed. Thanks must go to all those who put their hands in their pockets to contribute. The just giving page is still open <https://www.justgiving.com/fundraising/Neil-Abbott7> so if anybody wishes to contribute they are more than welcome to do so.
